[&]quot;Continuing" includes children who were served during a previous analysis period and continue to be served during the present analysis period.

All percentages are calculated from the total number N. Percentages may not add up to 100% due to rounding.

[&]quot;New" includes children who were not served during a previous analysis period.

[&]quot;Unknown" includes children for whom it could not be determined whether or not they had been served by the program before.
